The Student Council is the governing body of the school. The members were elected by the students from each class and organization. A girl and a boy were chosen from each class and one from each organization.

They have sponsored several dances and also have started the Friday Night Club, an organization that was just created this year in order to provide recreation for the students on Friday night.

Miss Hulda Vaaler and Mr. Howard Conners were the sponsors for 1942 and 1943.

VHS 19 Tyndall 6

This first game of the season showed much early season raggedness as all first games of the season do. Many substitutions were used and this game promised Coach Nelson that a good season was in prospect.

VHS 19 Beresford 0

Playing in rain and mud which made play very hard, the Tanagers rang up victory number two in the second game of the season. The Tanager defensive play was very impressive, although many substitutions were used.

VHS 13 South Sioux 6

Stepping into Tri-State Conference competition for the first time the Tanagers defeated the South Sioux City Cardinals 13 to 6 in the first home game of the season. The defense set up by the local eleven was very strong and promised to be a deciding factor for future games and also labeled the Tanagers as a strong team.

VHS 0 Leeds 7

Again playing a Tri-State Conference team, and risking an unblemished record of three wins the Tanagers went down fighting to a strong Leeds Lancer eleven 7 to 0. Battling back and forth the whole game on even terms with the Sioux City team. Unable to overcome a first quarter touchdown they were defeated.

VHS 26 Wagner 6

Springing back in a fine fashion after losing to the Leeds Lancers the week previous the Tanagers journeyed out to Wagner to help celebrate the Homecoming by winning over them 26 to 6. One of the finest exhibitions of football the Tanagers played all year was displayed against the Wagner eleven.

VHS 6 Hawarden 0

The first night game of the season and the only one brought a 6 to 0 victory over the Hawarden Comets. The cold hampered the play of both teams, with neither team threatening very often.

VHS 0 LeMars 6

Another cold day was the scene of the powerful undefeated LeMars Bulldogs 6 to 0 win over the Tanagers. The Bulldogs simply did what they pleased with the ball. Although the Tanagers fought back, the weight of the LeMars eleven was too much. This was the Tanagers second loss in seven games for the season.

VHS 0 Yankton 13

Playing their old rival the Yankton Bucks the Tanagers tasted their third defeat of the season as they fell before the Bucks 13 to 0. Both teams battled furiously as this is the game that everyone waits for. The Tanagers threatened continually but the Bucks seemed to have that old scoring punch that wins ball games.

VHS 12 Elk Point 0

Playing before a large Tanager Day crowd, the Tanagers defeated the Elk Point Pointers 12 to 0. This game was another old rivalry which featured much pep and enthusiasm on the part of both schools. This game climaxed a day of gala events and entertainment which started early in the week. This win closed the season for the Tanagers. The Tanagers wonsix games with three defeats.

BASKETBALL

VHS BASKETBALL SEASON

Winning but five games out of sixteen for the year, the Vermillion Tanagers finished a very mediocre season. Although their record is none too impressive, the Tanagers played good basketball all year and were beaten many times by very close scores and were twice beaten in overtime games, once by the champions of the Tri-State Conference, the Leeds Lancers, in a double overtime, and the other by the Bucks of Yankton High School. Three wins and seven losses were all that the Tanagers could win in the Tri-State Conference, but even that was good enough for a four way tie for third place. Compiling a total of 390 points against 406 for their opponents, shows that the Tanagers, although having only a fair season, scored nearly as many points as their opponents. The Tanagers this season competed in the State "A" Sectional Tournament, held at Yankton. This section is one of the strongest in the State, and this year produced the champion of the State Class "A" Tournament, Sioux Falls.

VHS TRACK SEASON

VHS speedsters will soon start pounding the cinders down the home stretch and the weight men will be putting everything they've got behind the shot put and discus. Coach Nelson thinks that he has a lot of prospects that will produce a very successful season. The first meet will be April 9 when VHS will be host to Canton and Lennox in the first meet for all three.

BAND

Under the direction of Ardeen Foss, the Vermillion High School band has made several public appearances during the school year '42-'43. It has been active in school and community functions, a few of which were on Dakota Day, rural school day, a Christmas program, and several minor concerts. The winter concert was held February 24, and the annual spring concert was presented April 18, at Slagle Auditorium, the proceeds of which went to the American Red Cross.

The officers of the sixty piece band are: Dick Edberg, president; Dorothy Barton, vice-president; Marilyn Heikes, secretary; Barbara Brookman, treasurer; Arvard Bertrand, librarian; Patricia Frankenfeld, student council representative.

The "Pep" band, which is a small section of the large band, entertains at theatrical intermissions, basketball and football games, and at pep meetings.

Future Teachers of America under the direction of Miss Adah Gould, officially opened this year's activities with a tea for new members in the early part of September. Patriotic in theme, the meeting was highlighted by a talk delivered by Miss Keitha Lewis.

FTA's other important social event was the annual girl-bid party on February 22. A United Services theme, and defense stamps for admission were features of the evening.

Primarily a service organization, FTA members were responsible for VHS's war stamp selling program. Yvonne Hansen and Beverly Drafhal were the members in charge of this campaign. Under the supervision of Merrie Lou Conaway, the club also sponsored and constructed the "Schools at War" scrapbook.

The debate team although small, had a fairly successful season. Their first debate was held at Yankton where they got second place. Their next contest was held at Beresford where they got first. The third contest was held at the University against many bigger teams, where they got sixth. They tied at the debate in Madison and then got second at another contest held at the University.

"The Youngest" a three-act comedy was the only production of the year. An all high school cast of nine and a technical staff of seven produced a theatrical success as each character handled his part with care and ease to thrill the audience with the true to life drama.

The technical staff of the lone play this year were very deserving of praise for their efficiency and helpfulness. The staff is made up of the prompters, production staff, and the makeup artists. Credit should also be given to Miss Marie Bies, the director. Usually, though their jobs are difficult their names are not as publicly known as the play cast.

The Girls' Athletic Association has been more active this year because of the fact that the girls realize that they must be fit, physically and mentally, for their future responsibility.

Another incentive for the girls is the fact that an individual had to have 100 points in order to appear in the above picture. Also, an award system has been adopted. This system allows the girls to receive certain awards in the form of letters if they have earned enough points.

The meetings, under the supervision of Miss Marie Bruening, were held in the gym in the afternoons. Organized sports that were played were basketball, softball, volleyball for which the girls received four points an hour. Three points an hour were earned for the unorganized sports such as hiking, tennis, bicycling.

The girls participated in two tournaments--basketball and volleyball. 'Dem Gremlins won the basketball tournament and the sophomore team won the volleyball. These teams are pictured below.

These students devoted their study periods to the service of the faculty and student body unselfishly. They receive no credits for this service. Their pay has been merely the satisfaction of a job well done.

The librarians who do not graduate this year will form a nucleus for next year's staff of assistants.

VERMILLIONAIRE

Once each month for the past twenty-five years a Vermillionaire has been distributed among the high school students, faculty and surrounding community. The Vermillionaire was first published in the fall of 1917 and was then known as the Versodak. No records or files were kept of the first volumes.

From year to year the format has been changed. The paper was first published in booklet form and was later enlarged to the size used now.

The paper is partially self-supporting by advertising solicited from local dealers. Members of the business staff are responsible for necessary advertisements.

Two co-editors have been in charge of each page during the year. Front page editors are: Marge Wagner, Pat Frankenfeld; Departmental Page editors: Betty Barton, Alice Inman; Sports Page editors, Bill Radigan, Gene Owens; Editorial Page editors: Alice Johnson, Gwen Hanson. The business staff is composed of Bill Conaway, Elson Hansen, Bonnie Hansen, Cecil Olson. Typists for the paper are Helen Lockwood, Jeanette Cotton, Beverly Olson, Susie Albers, Nadine Jacobs, Barbara Brookman, Marilyn Horner, Peg Conway.

The officers for this year were as follows: President - Bob Stark; Vice President - Walter Scott; Secretary - Melvin Erickson and Treasurer - Merrie Lou Conaway.

Football Season

Charlotte Kaltsulas, Jim Jorgenson, Kathleen Brick

Once again the cheerleaders were chosen by the vote of the student body at the end of each season; the first being for the football season and the latter for the basketball season. All of the classes were represented with the exception of the Sophomore class. A Junior, for the first time was the Captain both seasons. This position is usually held by a Senior boy, but he automatically took over the position when no other boy opposed him in the final voting.
